

# BOONE HIGH SCHOOL

ORANGE COUNTY PUBLIC SCHOOLS | ORLANDO, FL

## STUDENT ENROLLMENT

1,650

## FOODSERVICE EQUIPMENT PACKAGE

\$550,000

## INTERIORS & FURNITURE

\$465,000

## PARTICIPATION RATE INCREASE

22%

As part of a campus facility improvement plan, Boone High School in Orange County Public Schools replaced the existing gymnasium with an expanded fieldhouse. The gymnasium had been adjacent to the kitchen / cafeteria, which provided an opportunity for the expansion of both the serving and dining facilities at Boone High School.

The foodservice facility upgrade and expansion allowed for increased storage, replacement of kitchen equipment, replacement and expansion of serving areas, the creation of a remote serving area for the patio, new interiors and furniture for interior seating, and the expansion of the outdoor dining area.

The facility enhancements have allowed for enhanced menu offerings and increased speed of service. The positive results for the program include a 22% increase in program participation, justifying the plan for expansion and modernization of the foodservice facilities at Boone High School.
